

MEMORANDUM CIRCULAR
NO. 27

SUBJECT : Suspending the Acceptance and Processing of Applications for the Construction and Operation of Radio Stations for End-Users other than Applicant-Franchise Grantees as well As Applications under the “IPSO FACTO” Provisions of Existing Franchises.

Effective immediately, the acceptance and processing by the Radio Control Office of applications for the construction and operation of radio stations for the benefit of end-users other than the applicant-franchise grantees as well as applications under the “Ipso facto” provisions of existing franchise is hereby **SUSPENDED** until definite policies and rules therefor are laid down by the incoming Board of Communications which is empowered under the Integrated Reorganization Plan to issue Certificates of Public Convenience for the installation and operation of telecommunication utilities and services and to grant permits for the use of radio frequencies for radio stations.

This Circular includes applications for new or additional stations and applications for modifications of currently licensed radio stations involving changes of locations and end-users.

Any existing order, circular, instruction or memorandum or part thereof which is inconsistent herewith is deemed suspended and/or amended accordingly.
