

MEMORANDUM CIRCULAR
NO. 05-77

SUBJECT : Amending Memorandum Circular No. 18 dated November 07, 1972, Prescribing Guidelines in the Purchase, Sale and Manufacture of Crystals.

Pursuant to the provisions of the Radio Control Law, Act 3846, as amended, and Presidential Letter of Instruction No. 13-A dated September 29, 1972, and in order to pinpoint the source of locally manufactured communication crystals being used by different radio stations, the following guidelines are hereby prescribed:

1. Duly authorized crystal manufacturers must stamp on the crystal casings their respective trade names, the date of manufacture/grinding of the crystals and the corresponding crystal frequency.
2. Radio Stations using locally manufactured communication crystals without markings must mark their crystals in accordance with paragraph one (1) above.
