

**MEMORANDUM CIRCULAR**  
**NO. 04-02-81**

**SUBJECT: AMENDING MEMORANDUM CIRCULAR NO. 07-09-80, SERIES OF 1980.**

---

Memorandum Circular (MC) No. 07-09-80 of this Commission dated September 15, 1980, provides for the suspension of the acceptance and consideration of applications for licenses for new radio stations intended to be operated in the Metro Manila Area which would require the assignment of new frequencies within the HF and VHF bands.

The above-mentioned Circular is hereby amended to include in the temporary suspension the acceptance and consideration of applications for licenses for new radio station in all regions/areas in the country, requiring the assignment of new frequencies within the MF, HF, VHF AND UHF bands, or the relocation of existing radio stations for the same reasons given in said Circular. This is also dictated by the urgency of a total re-assessment and re-evaluation technically and from the stand-point of national development and security of all currently assigned frequencies and existing radio stations operating within the said bands. This shall not, however, apply to the maritime and aeronautical services.

This Circular shall take effect immediately and it supersedes or amends MC No. 07-09-80, series of 1980, and any other existing circular, order or instruction or part thereof which is inconsistent herewith.
