

05 April 1982

MEMORANDUM CIRCULAR

NO. 07-4-82

In order to correct certain discrepancies arising from the implementation of Memorandum Circular No. 76-8 assigning frequencies for Demonstration/Propagation Test purposes by authorized dealers and manufacturers and to forestall misunderstanding between them and prospective buyers, the same Memorandum Circular is amended to hereafter allow issuance of Demonstration or Propagation Permits only to companies or persons who have approved Permits to Purchase upon their specific requests and under the signature of the requesting person or in the case of a Company, an official not lower than the General Manager or his equivalent. The Commission will assist applicants in filing requests for such Permits if they so desire.

Application for Demonstration/Propagation Test would be charged the usual filing fee as in any other application and the ensuing permit will be for a period of 15 days as in the basic Memorandum Circular No. 76-8.

(SGD.) CEFERINO S. CARREON
Acting Commissioner
