

MEMORANDUM CIRCULAR

NO. 11-05-84

**SUBJECT: REQUIRING EVERY APPLICANT FOR THE ISSUANCE OF A
NEW RADIO OPERATOR LICENSE TO SUBMIT SELF-
STAMPED, SELF-ADDRESSES ENVELOPE.**

In view of extreme budgetary constraints, every applicant for the issuance of a new radio operator license is required to submit to this Commission together with his/her application a self-stamped, self-addressed envelope to Facilities mailing of his/her corresponding license.

Failure to submit to this Commission the herein required self-stamped, self addressed envelope will cause unnecessary delay in the mailing of said radio operator license.

All Acting Regional Directors are required to cause this circular the widest dissemination.

ANTONIO C. BARREIRO
