

MEMORANDUM CIRCULAR
NO. 04-05-86A

With reference to NTC Circular No. 12-13-85 issued on 16 December 1985, relative to the use of declaration sheets in the renewal of radio station licenses, the following guidelines shall be observed.

1. The signature of a licensed Electronics Communications Engineer (ECE) shall not be required for amateur radio stations, radio stations for citizens bands or civic action groups, ship radio stations on board vessels engaged in the international trade not touching Philippine ports and fishing boats.
2. The concerned licenses, however, are enjoined to accomplish the required enjoined to accomplish the required forms accurately in order that the particulars/correct data of their radio stations shall be entered into the computer.

This Circular takes effect immediately.

ROSAURO V. SIBAL
Acting Commissioner
