

**MEMORANDUM CIRCULAR**  
**NO. 6-15-88**

**SUBJECT: CONSTRUCTION PERMIT FOR MOBILE STATIONS.**

---

Pursuant to Act 3846, as amended, and Executive Order No. 546, and to support the licensing simplification program of the Commission, the following guideline and procedures concerning the issuance of Construction Permit for mobile radio stations and hereby promulgated:

1. A qualified applicant for a radio mobile station on board vessel, aircraft or vehicle of any kind shall file with the Commission the necessary applications for Permit to Purchase and Possess of radio transmitting equipment, Construction Permit for the installation of the equipment and Station License to operate the desired mobile radio station.
2. The Commission shall process subsequently the applications and issue the Permits and Station License applied for after the applicant has paid all the required licensing fees. The authorization to install the radio equipment and to operate the station shall both be covered however in a single written instrument of authorization and the fees therefor shall be collected accordingly.
3. The inspection of the mobile radio station will be conducted as usual by any authorized representative of the Commission at any reasonable time after the installation of the radio equipment.
4. The Commission reserves the right however to recall or cancel the license of any mobile radio station which may be found installed or operated not in conformity with the technical standard or regulations promulgated by the Commission.
5. Attached herewith are samples of the respective station license forms to be used by the Commission for the purpose of this Circular.

This Circular shall take effect immediately.

JOSE LUIS A. ALCUAZ  
COMMISSIONER
